Dear Mr Tsigarides

Thank you for your email of 26 September in response to Mrs Michelle Jones's letter of 11 August.

I am sorry that you had to further contact us about this matter. I can confirm that vehicles have been de-registered.

I should explain that only new vehicles can be considered for de-registering. The application to request a de-registration must be made within 7 days of the date of first registration. There is also a strict criteria to follow before authorisation is given to de-register any vehicle.

I trust my letter has clarified the matter for you.

Yours sincerely
