For organisational context: Plymouth Hospitals NHS Trust is the largest teaching hospital trust in the South West. We employ over 6,000 staff working in 350 different roles within the Trust. We offer a full range of general hospital services to around 450,000 people in Plymouth, North and East Cornwall and South and West Devon. These include emergency and trauma services, maternity services, paediatrics and a full range of diagnostic, medical and surgical sub-specialties.

We work within a network of other hospitals to offer a range of specialist services. These are provided to a population of between 700,000 and two million depending on the type of care needed.
