Subject: HS2 Compensation Consultation to OSMB

Dear Colleague

Knowing that Cllr Courts is away when OSMB receives the recommendations from the HS2 Working Party (4th November), after last nights meeting, I had a word with Cllr Richards and he has agreed to present the recommendations to OSMB.

No doubt you will liaise with him over the need for a briefing.

I will get the draft minutes to you ASAP, likely to be early next week as I am involved in meetings all day today.

Regards

Roy
