| 18/08/2020 17:41 | Comment | A "General" comment was added: "1) WCC have no grounds to refuse this application under the terms of the HS2 Act, however, concerns remain relating to the length of time this closure and associated diversion route included in this application will be in place for, which seems excessive in relation to the works associated with constructing the pedestrian crossing facilities. It is essential that HS2 and contractors liaise closely with the community throughout the build phase. Pedestrian access to properties and school should be maintained at all times. Consideration should be given to the potential for rat running of traffic through the Cala homes development and the impact on local residents that this might have. 2) HS2/ its contractors are required to carry out specific and appropriate advance communication with local communities, and all stakeholders to make them aware of the impacts of this consent including the impact on bus routes and users. The notice to undertake these works must be published on Commonplace prior to the start of works to enable WCC to list in on https://one.network/" #TA003THW-AN-WCC-LM-624-CMNT-02 | hs2consents@warwickshire.gov.uk |
| 18/08/2020 16:33 | Comment | A "General" comment was added: "Please make it clear if closure is 8am to 6pm or 24/7" #TA003THW-AN-WCC-LM-624-CMNT-01 | hs2consents@warwickshire.gov.uk |
| 14/08/2020 15:28 | Application | Application submitted #TA003THW-AN-WCC-LM-624-01 | |
