Sir/Madam

Thank you for your recent request to the Council. You asked to be provided with the following information:

I am writing to you today as a year 10 pupil to use your property; Hyde Park. I am throwing a music festival where many people will be attending. This is for my year 10 GCSE coursework and this just hypothetical. I am wondering if i was to use Hype park as a venue for this how much would it cost me to do so, including fees for noise pollution and tidying up after all included with all other possible fees and how many people could attended. I would much appreciate if you could to respond as quick as possible.
