Dear Dr Bevan,

I am writing further to my letter dated 11 June 2009, regarding your request for an internal review. In the letter we indicated that we were aiming to send you a full response to your request by 2 July 2009. We are still undertaking this review, but it is unfortunately continuing to take longer than we expected. I am afraid that we have not been able to complete our investigations, and as a result we need to further extend our deadline. We now expect to send you a full response by 30 July 2009.

I do apologise for the continued delay and hope it will not unduly inconvenience you. We are now close to completing this review and would anticipate a response being provided well within the extended deadline stated above. If you have any queries regarding the handling of this internal review please do not hesitate to contact me.

Yours sincerely,

John Bragaglia
