Dear Faith Charles,

Your request was received on 22 September 2023 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Could you please supply the mean, median and range of each of the IIA engineering papers written in 2023.

The requested information, sourced from the University of Cambridge record system (CamSIS), is attached. We have provided the mean and median and have interpreted 'range' as both the minimum and maximum mark for each of the papers. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

Yours sincerely,

Zoe Allwood
