Dear Amanda Hart,

Thank you for your Freedom of Information (Fol) request received on 27 September. You wrote:

“Re: FOI2022 67855

Thanks for your response. We confirm “The Universal Credit (Administrative Earnings Threshold) (Amendment) Regulations 2022” you quoted appears to be the one for which we are requesting the impact assessments carried out to prove doing the above was safe for those affected.”

## **DWP Response**

We confirm that we do hold the information you have requested

A copy of the Equality Analysis for Raising the Administrative Earnings Threshold (AET) attached.

Expanding the number of benefit claimants on low earnings that will be expected to meet regularly with a work coach and take steps to increase their earnings will help ensure people are progressing.

The change is part of the Government’s in work progression agenda, supporting claimants into work and up the career ladder.

The disclosed document has where appropriate, been redacted to remove information which is exempt under section 40(2) of the Freedom of Information Act 2000, as personal information belonging to an individual other than the requester.

Section 40(2) exempts information in response to a request if it is personal data belonging to an individual other than the requester and it satisfies one of the conditions listed in the legislation. In this case the condition contained in section 40(3A)(a) applies - that disclosure would breach one of the data protection principles, specifically that “Personal data shall be processed lawfully, fairly and in a transparent manner...”.

We do not consider that disclosing this information is necessary or justified in order to satisfy your information request and the requirements of the FoI Act. In relation to this request, we consider that there is no strong legitimate interest that would override the prejudice to the rights and freedoms of the data subject.

Personal data are subject to General Data Protection Regulation (GDPR) and the Data Protection Act 2018
