

Bath and North East Somerset Council
Freedom of Information request

Please provide the following information:

(a) Has it been formally discussed by the committees of elected councillors responsible for education, children's social care, finance or any other relevant department?

No, this has not been discussed formally by the committees mentioned above.

(b) Has it been formally discussed by the officers responsible for education, children's social care, finance or any other relevant department?

No, this has not been discussed formally by the officers mentioned above.

(c) Have the committees responsible for education, children's social care, finance or any other relevant department taken part in the Government consultation into the proposed legislation, which ends on 19 October 2009?

No, the committees mentioned above have not taken part in the Government consultation.

(d) Have the unelected local authority officers responsible for education, children's social care, finance or any other relevant department taken part in the Government consultation into the proposed legislation, which ends on 19 October 2009?

No, the unelected local authority officers mentioned above have not taken part in the Government consultation.

(c) If the councillors or officers have not taken part in the consultation, are they planning to do so?

Yes. It would be an officer response not a formal elected member response.
