Dear Peter Hall

Thank you for your request to Aneurin Bevan University Health Board for information under the Freedom of Information Act (2000) received on 17 October 2023.

Your request

You requested the following:

1. Please can the Health Board tell me if they've noticed any impact on the capacity of teams providing community services as a result of 20mph?

Our response

1. We have not been made aware of any concerns from our staff who deliver community-based services relating to the recent change in speed limit to 20mph. However, we will be monitoring this to see whether it impacts service provision within the teams.
