Dear Mr Dent

Freedom of Information Request

Response from West Leicestershire Clinical Commissioning Group

Thank you for your request which was received by West Leicestershire Clinical Commissioning Group (WLCCG) on Monday 6th February 2017, for information under the Freedom of Information Act 2000.

Please find below your questions for ease of reference (in italics) and the organisation's response.

Question 1: *Can you confirm now that you have chosen a new CSU to provide your support services if there are any services that will be taken in house by the CCG, if so can you please confirm these.*

Response to Q1: West Leicestershire CCG can confirm that in partnership with East Leicestershire and Rutland and Leicester City CCGs, we have undertaken a procurement exercise to commission a provider to supply our commissioning support services from 1 April 2017, currently provided by Arden GEM Commissioning Support Unit.

We have awarded a new contract for our commissioning support service to NHS Midlands and Lancashire Commissioning Support Unit. West Leicestershire CCG has not brought any services in house.

If you are unhappy with the service you have received in relation to your request please contact the Corporate Affairs Officer. They can be contacted by writing to the following address:
