Request for Information

Dear Mr Caswell,

I am writing regarding your request for information which we received via email on 23/09/2021. In that request you asked for information in relation to cases of notifiable diseases.

We are pleased to provide the following information in response to your specific questions.

I would like to please request the following information with regards to notifiable diseases:

Can you please provide the incidence of *Klebsiella pneumoniae* carbapenemase (KPC) in your locality over the previous 12 months?

What are the incidences of other Carbapenemases over the last 12 months for comparison?

Over the past year there were 40 samples that had carbapenemase producing organisms from 23 different patients. Only 2 of these samples (from two different patients) were OXA-48 and the rest were KPC.

If you have any queries about our response, please let me know by writing to the above address.

Yours sincerely,

Laura Sillitoe
Freedom of Information and Information Governance Support Officer
