22 January 2019

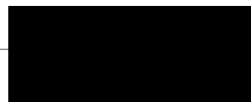

Dear David,

I write to thank you for your letter of 17 January, clarifying INEOS' position with regard to the Traffic Light System (TLS) for monitoring induced seismicity at onshore hydraulic fracturing sites.

We were aware of the public statements made by Tom Crotty, referenced in the Times article of 26 December 2018, but I am grateful to you for the further explanation and clarity in your letter.

Yours sincerely,

13 (1)

Emily Bourne
