Dear Olivia

**Infected Blood Inquiry
NHS Bassetlaw CCG Records**

Thank you for your email dated 27 February 2019 containing correspondence from the Inquiry Chair in regards to the above topic.

In response to the inquiry, NHS Bassetlaw CCG had taken action in early 2018 to review our records. In light of this, I can confirm that NHS Bassetlaw CCG has no records in our possession or are aware of any stored in CCG demised areas for the period and topic in question.

Please note that the CCG became a statutory organisation from the 1 April 2013, prior to this any records that may have been held by its predecessor, Bassetlaw Primary Care Trust, would have been transferred to the Department of Health as part of the legacy archiving work.

Yours Sincerely

Dr Eric Kelly
Clinical Chair
