Derek,

I have received the disc and memory stick – many thanks for these. I will ensure they are returned to you.

Best wishes,
Sam

Hi Sam,

The documents have been sent today by Royal Mail Special Delivery Guaranteed and marked for you attention.

The package contains one encrypted memory stick and a DVD entitled "Protein Fractionation Centre".

Instructions on how to open the stick are attached.

Hopefully you should receive it tomorrow and although we will be able to track on-line, it would be great if you could drop me an email to confirm receipt.

Kind regards,

Derek
