Brian - thanks again for the visit yesterday - I hope Sir Brian and the rest of the team found it helpful.

It occurred to me that I will be down in London on the 19th / 20th December and could call into your office for a further discussion if this is convenient for you?

with best wishes, Marc.

Thanks Marc

For information - we are meeting with the Chair and staff of the [REDACTED] in the morning and I think current plans are that we will be having lunch in the centre of Edinburgh, so I think we may be with you at 14:30 in the afternoon.

I hope this does not cause you any inconvenience.

As mentioned earlier we have the whole afternoon.

Kind regards

Brian

Dear Marc, Susan and Mary (in your new role)

I thought it might be useful to touch base regarding the Inquiry's visit to SNBTS on Friday afternoon 7 December.

In attendance will be myself, Deirdre, Sir Brian Langstaff (Inquiry Chair), Jenni Richards QC (Inquiry counsel), Matthew Hill (also Inquiry counsel), and Clare Hawkins (Project Manager).

We would propose to attend at 14:00 if this remains convenient for you?

As Deirdre and I have already visited the laboratory we thought it would be a good use of our time to meet with Susan at SNBTS, if this can be arranged, while Sir Brian, Jenni, Matthew and Clare are provided with a tour of the laboratory.

Look forward to meeting you all again next week.

Kind regards

Dear Brian

Thank you for seeking confirmation that SNBTS(NSS) will provide legal representation to former employees through CLO (Susan Murray). I can confirm that this would be the case through the course of the Inquiry. However, it may be that both previous and current employees may wish to seek individual representation through their respective Professional Organisations or otherwise. During the Penrose Inquiry there was at least one previous employee who secured his own representation. We would be happy for you to indicate that CLO will provide advice to any employee or previous employee.

Many thanks, Mary

Subject: Re: Meeting with UK Blood Services

It was a pleasure Mary. We will hold the 15 March in our diaries.

Further to the discussions on this issue on Friday, please may I request written confirmation that SNBTS will provide legal representation to former employees of SNBTS through CLO (I assume Susan Murray).

The Inquiry will always provide witnesses with the option of obtaining legal advice in connection with the provision of a witness statement, and in the case of former employees of SNBTS, subject to your confirmation, I propose to indicate that legal advice is available through CLO and to provide Susan's contact details.

Congratulations again on your new role and thank you for all the assistance provided to date.

Kind regards

Subject: Re: Meeting with UK Blood Services - Confirmation of venue

Dear Mary

Only if this can easily be accommodated, would it be possible to add someone to tomorrow's meeting?

The reason for my hesitation is because I know we will be meeting over lunch.

If this causes any difficulty or inconvenience whatsoever please ignore this request and Deirdre and I look forward to seeing you and your UKF colleagues tomorrow.

If the request can be easily accommodated then the additional member of the Inquiry team is Thomas Powell (Senior Inquiry Lawyer).

Kind regards

Brian
