Dear Sir/Madam,

I am writing in relation to your Freedom of Information request of 19th November 2019. I can confirm the following information:

1) How many years has the school allowed the influenza vaccine to be given on its premises? The school's records show that we have allowed the School Nursing Team into school to give the vaccine since at least 2015.

2) How many years has the school allowed other vaccines to be given on its premises? If there are other vaccines that are given (except the influenza vaccine), could you tell us what these vaccines are, and how long each has been available on school premises? No other vaccines are given at our school.

3) The dates for the past 5 years on which the influenza vaccine has been administered in school.

21st October 2015

10th October 2016

17th October 2017

22nd November 2018

16th October 2019

4) The dates for the past 5 years on which the vaccines mentioned in 2) has been administered in school (if applicable).
