

Request	Data	"....I would like to request the following information for the G100 Mathematics course, for the application cycles of 2023 and 2024. For each applicant: their interview scores and whether they were Pooled, Successful or Unsuccessful and A level grades. Also is it possible to see the percentage of pooled applicants who get fished from the pool by other colleges for this course."

Notes	Apply/Entry Years	Apply Year - figures are grouped by UCAS application year. The 2024 application year ran from applications opening in September 2023 to Confirmation in August 2024. Entry Year - figures grouped by entry year includes standard entry applications from the 2024 application round and deferred entry applications from the 2022/2023 rounds.
	Application Changes	Please note that some applicants move between Colleges and Courses during the admissions round.
	Application Identifier	Applicant information has been anonymized, with each applicant assigned a dummy application identifier.
	Acceptances	The figures included reflect the number of accepted applicants i.e. applicants who have no outstanding offer conditions and have accepted Cambridge as their Firm choice institution via UCAS. Subsequent withdrawals are not taken into account and so these figures may differ slightly from actual entrant numbers.
