Subject: Stonewall Index - Query

Hi [REDACTED]

I hope you're well.

I was working online this afternoon and inadvertently submitted a couple of sections when only part-way through. It is possible to revert sections 1 and 2 (see below image) so that I can continue to edit these?

Thanks and apologies for any inconvenience.

The screenshot shows a web application for the Stonewall Index. At the top, there is a 'Home' link and a message: 'To download a Word or Excel document which contains all the questions and criteria, please visit the downloads link at the top of the page.' Below this, instructions state: 'You can begin completing the submission by simply clicking start next to each of the sections below.' and 'For more information about using this site, click on the links at the top of the page. For a glossary of term you might see throughout the submission, click here.'
