Dear [REDACTED]

Today, we're delighted to announce our 2019 Top Global Employers - Stonewall's list of the best multinational employers for lesbian, gay, bi and trans (LGBT) staff.

[Read the Top Global Employers report and find out who won our five additional global awards.](#)

Stonewall's Top Global Employers list showcases the best multinational employers for LGBT staff. The list is compiled from submissions to the Global Workplace Equality Index: a powerful benchmarking tool used by employers to create inclusive workplaces across the markets in which they operate.

We would like to congratulate our 2019 Top Global Employers, who have demonstrated a real commitment to ensuring that LGBT staff and stakeholders feel included at work wherever they are based. All 14 of these businesses are truly at the forefront of driving global LGBT inclusion in the workplace and beyond, which is a crucial step in bringing LGBT equality closer.

But there is so much left to do to ensure that lesbian, gay, bi and trans employees feel able to be themselves at work, no matter where they are. To achieve this, we're proud to work with the Top Global Employers and our [Global Diversity Champions members](#), who operate in some extremely difficult contexts, to create workplaces that are inclusive and supportive of LGBT people and equality.

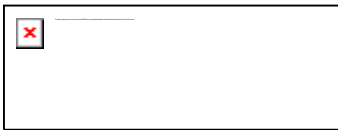

We will be celebrating the Top Global Employers on social media throughout the day - please join us in congratulating them, using #StonewallTopGlobal

Best wishes,

Chief Executive, Stonewall
