Subject: Stonewall FC - Moves East

Hey [REDACTED]

We hope you're all good.

As promised, please find attached a press release for Stonewall FC's recent relocation to East London as part of our partnership with adidas UK, to help make the club more accessible to the LGBT+ community. We wanted to share to see if this might be of interest for any LGBT+ sports coverage with you?

Let us know if you have any questions, hope all is well.
