Dear Ermine,

Re- Your Request for a Review of the Response to 456 FOI LCH

Please accept this email as an acknowledgement of your request for an Internal Review of 456 FOI LCH under the Freedom of Information Act Section 45 code of practice. We confirm that the responses to questions 1, 2 and 3 will be reviewed and a response will be released to you within 20 working days. If the review has not yet concluded within this timescale, we will contact you.

For question 6, adequate responses have been provided, however you have asked new clarifying questions "What date did your membership lapse? What date will membership recommence?". These will therefore be classed as a new request under the Freedom of Information Act 2000. You have also asked about the re-use of public information regulations, which will also be responded to in the new request. I have allocated reference 485 FOI LCH to this question and a response will be sent to you within 20 working days.

Yours faithfully
