Subject: 10 free places for Stonewall's new e-learning modules
Attachments: Applying CYPS discount code England.pdf

Hi,

As a valued member of our Children and Young People's Services (CYPS) Champions programme, we wanted you to be the first to know about the launch of our new e-learning modules. We've developed two [Improving the mental health and wellbeing of LGBT young people](#) modules – **one for staff from local authorities and a second for secondary school/college staff**.

The content has been developed in collaboration with YoungMinds to provide participants with the confidence, skills and knowledge to better support the mental health of the LGBT young people that they work with.

There's overwhelming evidence of heightened vulnerabilities among LGBT children and young people. Stonewall's *School Report* (2017) shows that two thirds of LGBT young people, including 84 per cent of trans young people, have deliberately harmed themselves. A quarter of LGBT young people have at some point attempted to take their own life – this rises to 45 per cent for trans young people.

Our new e-learning is packed full of essential information, practical advice, and interactive activities. By completing the training, participants will be able to:

- Identify their role in keeping LGBT young people safe, and free from stigma and discrimination
- Consider how LGBT inclusive practice and resilience can be embedded across their setting
- Consider how the intersections of LGBT identity, race and disability can affect risk and protective factors for positive mental health
- Explore the importance of relationships and what LGBT young people say works in helping to support their mental health and build their resilience

TEN free places for CYPS Champions

As a programme member, we are delighted to be able to offer you **ten free places** to access our e-learning modules. You can choose to use these places on either of the two modules - so staff from your local authority or staff from secondary schools and colleges that you support can access the modules. Please note, **all ten places need to be for the same module**.

You can also buy additional places at the **significantly discounted rate** of £25.00 + VAT per place, along with the option of the following **bundle offers**:

Buy 10 places, get 1 additional place free

Buy 50 places, get 10 additional places free

Buy 100 places, get 25 additional places free

Full details of how to book places are the document attached to this email.

For more information on our e-learning please visit our [website](#). If you have any questions, please do contact me.

We'll be producing more modules over the coming months – we'll send you further details about them closer to their launch.

Best wishes,

[REDACTED]
