Hi,

Hope this email finds you well.

I just wanted to let you know that we launched an exciting new resource yesterday evening – Creating an LGBT-Inclusive Primary Curriculum.

Produced in conjunction with the Government Equalities Office and Pearson, this resource offers primary schools practical support and ideas to include issues around LGBT people and families into their lessons, and will help them to create learning environments where every pupil feels accepted. Each of the 13 subject areas (including PSHE) includes activities for the EYFS, Key Stage 1, and Key Stage 2, as well as offering adaptations that can be made for SEND pupils.

Please do feel free to share this resource with primary schools. As ever you can download copies from our online resource hub My CYPS Champions, but for ease I have also attached a copy to this email.

Thanks,
