Hi [REDACTED]

Thanks for reaching out and so sorry to hear you've had a little trouble here!

The login details don't expire – you'll be able to use them once IT have been able to grant you access to the site.

In terms of advertising roles in the meantime, please do let me know if I can support and post on your behalf. If you have a temporary issue, we are able to help with this however, we aren't able to offer this as an ongoing service and the self-service access is to be used.

If you'd like to send me the details for this role, please do, although with the deadline being so close, you might feel it's not worth it this time.

Please let me know if I can be of any further help.

Regards,

[REDACTED]

Hi [REDACTED]

Unfortunately I've found that our new company firewall has blocked access to the proudemployers website. I'm in the process of getting IT to unblock it but it seems to be taking some time. Is there any time limit on the account details you provided below?

We know won't be able to advertise our Data architect role as it will be closing on Wednesday but hopefully I'll have everything set up in time for our next campaign.

Thanks

Hi [REDACTED]

I hope you're well and thanks for sending these through.

That's everything set up for you – I have activated your account and your 5 free adverts. You are now able to log into your account using the details below:

Email: [REDACTED]
Website: www.proudemployers.org.uk

The website utilises a self-service model. Please find attached a guide on how to use the website and advertise your opportunities. You will also be able to track engagement with the jobs you post this way.

Once you have used your 5 free adverts, adverts are charged at the [advertising rates](#) on our website.

Should you have any questions, please do let me know.

Regards,

Subject: Proud Employers account Registration & Job listing- NS&I

Good Afternoon

Please see attached our completed new company form along with our company logo to register to Proud Employers.

As a member of the Diversity Champions Programme I believe we have 5 free job adverts, which we'd like to start making use of by posting the data architect job we currently have. I've attached the advert for this and we would want the Proud Employers listing to link to the vacancy on our website at this address <https://nsandicorporate.com/careers/vacancies/data-architect-803-20>

Is there anything else I need to provide?

Thanks
