Thank you for your information request, received on 19 April 2022.

The Council does not have a catering agreement, excluding school meals. Municipal Building cleaning is primarily managed in-house.

This information will be updated with last financial year's information in due course.

The below response is regarding security only:

1. Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages

Our response: Islington Council undertook a mini competition inviting all appointed framework agreement providers from the Crown Commercial Services framework agreement RM3830 lot 1a (Facilities Management). Details are already transparently in the public domain:

Our response: See award decision above.

4. Could you please provide a copy of the service/product specification given to all bidders for when this contract was last advertised?

Our response: Please see attached document.

5. Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?

Our response: See award decision above.

6. Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?

Our response: No, it is too early to advise.
