Dear Mr Chatterton,

Reference: 24080 EIR

Thank you for your request for information received on 03 September 2024. This request has been handled under the Environmental Information Regulations 2004.

Your request

I would like to know when the last time comprehensive resurfacing was carried out on the Oxford Ring Road between BMW Cowley and the bridge at Old Road and the estimated volume of traffic since that time. I would also like to know when comprehensive resurfacing work is next planned to take place over this section and whether acoustic surface treatment is part of this work.

Our response

This stretch of the A4142 has been pre patched and surface dressed. This was undertaken on the dates and locations listed below:

- 2019: Surface dressing from Risinghurst to Horsepath Driftway
- 2021: Surface dressing from Horsepath Driftway to BMW Cowley

Surface dressing can extend the life of a carriageway by up to 10 Years and can be repeated.

Traffic Count data can be found at [Traffic monitoring | Oxfordshire County Council](#) we have reproduced the Annual Average daily traffic data below for this section of road.

Year	Total
2020 Count	28100
2021 Count	29900
2022 Count	31600
2023 Count	33200

This section of road It is not currently in a programme for further works and is not identified for acoustic surface treatment.
