Hi [REDACTED]

Further to my email below, the additional attached 2 documents are also with the scope of the request.

Again, please let me know if there is anything additional that you think should be redacted. There are no redactions in the first attachment as it is a public register document with no content that we consider confidential.

Thanks

Laura

**Subject:** CL203501 F - Kingmoor Request Sept21

Hi [REDACTED],

We have had another request for any correspondence between us and the proposed Kingmoor incinerator applicant.

The attached is in scope for the enquiry. I can't see anything else that needs redacting apart from your name and email address.

Please can you let me know whether or not you think there is anything else to be redacted.

Thanks

Laura
