Hi [REDACTED]

Could they please provide a key for these drawings so I can ensure I have the correct species list.

Other than that my only comment would be that the hedge along the southern boundary of the site restricts access to the playing field area from the north. It is possible to have a break in this? There is suitable area for this adjacent to the road so it could still provide privacy for the adjoining gardens. I think otherwise people will just push through and create gaps all along it.

Hi [REDACTED]

I have received attached landscaping proposals for Persimmons application at Kingspark 17/00765/FULM, would you be able to review and let me know if you have any comments/thoughts?

Thanks
