5th March 2020

Dear Mr Giblin,

As agreed at our meeting on 05/03/20, I hereby confirm the diverted culver approved under the reference number above will be owned by Persimmon Homes. The maintenance of the culvert has been passed to a factor – details of which have been submitted to Dundee Council previously - however the ultimate ownership remains with Persimmon Homes.

In accordance with the above, we therefore take full responsibility for the culvert during the construction phase. Additionally we acknowledge that any maintenance works required shall be agreed in advance with Dundee Council via the appropriate road permit consents.

Regards,

[REDACTED]
Engineering Manager – Persimmon Homes
