Dear Susan and Nick,

We are meeting in just over a week's time, but in advance of the meeting I wanted to check that you were fully aware of the latest Ride Review document, as I remember you telling me that you hadn't seen the previous version sent to us in August last year. I'd like to discuss the document at our forthcoming meeting.

I've asked Kevin Heaton to prepare and issue an agenda for our meeting, which should be with you in the next few days.

With kind regards,

Lucy

Dear Lucy,

Please find attached our ride review for your consideration.

It shows the transitional arrangements we are beginning to put in place with Sands Heritage Ltd, and also their significant investment already made in support of delivering this project.

Refurbishment of the rides is progressing, Richard Ryan, Nick Laister, Sands Heritage Ltd and TDC are meeting on site tomorrow to monitor the standards. We will cover this off at the planned Dreamland Trust meeting and will update you in those minutes.

Please let me know if you have any questions or require further information. One thing we would like to do when we meet on the 9th is book a visit in so you can come back to site to see the progress, the scenic railway is impressive and no amount of pictures can compensate for seeing the scale of the structure in person.

Kind regards
Edwina
