Dear Lucy,

I understand you have been made aware of the operator update at Dreamland.
I have now been appointed as CEO of Sands Heritage Ltd and will be running Dreamland long term.
I am keen to come and see you to talk about the long term relationship between HLF and the site.
Could you recommend a time/date – I'm happy to come up to London.
Or we can talk on the phone at some point this week if that works better for you?

Best,
Eddie

Dear all,

I understand from TDC that you have requested all further communications regarding the Dreamland project go through them to yourselves.

We are of course happy to work within this requested framework.

Sands Heritage are committed to the HLF objectives for this project and working with all partners to deliver Dreamland in 2015.

I look forward to talking you through our plans in the New Year when you'll no doubt be down for a visit.

Best,

Eddie
