Dear Edwina,
Many thanks for your email. I've been in touch with the Dreamland Trust about a meeting – they cannot meet on 28th January but they have suggested Monday 9th February as an alternative. Would this date be ok for you?

With best wishes
Lucy

Dear Lucy,

Thank you for your email we note your comments and concerns.

We shut down over Christmas but as a result of your email I have now reviewed historic report(s) that you have received and agree that we need to improve the quality of information. Accordingly I am just finishing off a comprehensive report to send to you, which has quite a lot of input from others, hence the delay in getting it over. However, I will ensure it reaches you tomorrow.

In the meantime can you confirm you are still available to meet later this month and if so is the 28th January still available? If not can you suggest some dates in February. We would be delighted if the Dreamland Trust can join us.

Kind regards
Edwina
