I have asked about the contact within DfT to speak to about the next GTR franchise. As soon as I have their details I will forward them on.

I've attached the forms that need to be completed to help with getting Lingfield on the DfT radar.

Regards

Subject: Network Rail follow up from 6th September

Hi Both,

Thank you for meeting with us on the 6th September, it was helpful. As a follow up you indicated you would be able to provide us with contact details at DfT in relation to making representations for any new Franchise requirements. We would be grateful if these could be provided at your earliest convenience in order to allow us to begin to prepare our strategy.

It was further indicated that a contact in your Asset's Team would be provided in order for us to begin engagement on Garden Community proposals, again we would be grateful if this could be provided.

In relation to Lingfield it was indicated that the forms for us to start making representations for DDA funding would be circulated, this would be much appreciated.

Kind Regards
