Hi [REDACTED]

I am having more trouble booking a room than I anticipated. Would you be able to do 1pm instead?

Shall we say midday on 25th?

Hi [REDACTED]

That's great, 25th April will be fine for me to come to your office. Would some time between 11:30am and 1:30pm work for you?

We may well bump into each other at the RTPi awards ceremony the night before as well!

Dear [REDACTED]

Thank you for your email and sharing DfE's position on Matter 55 of the London Plan.

At the moment we are due to speak on 3rd, it is likely to be my colleague [REDACTED] (copied into this email) as [REDACTED] has been leading Sport England's response to the London Plan although I have assisting her with it. [REDACTED] and I am happy to have a call to discuss. A meeting might be more difficult as [REDACTED] is not based in London however you are welcome to join me at our London office

for a conference call with [REDACTED] Would some point on the 25th be convenient?

Kind Regards

Subject: DfE/SE response to New London Plan - Matter 55

Dear [REDACTED],

I wanted to get in touch to introduce myself and confirm the latest position on DfE response to Matter 55 of the New London Plan. I know you were previously in touch with [REDACTED] on this but he has recently moved from DfE to a new role at Defra, so I will be the point of contact on this going forward. I've also just realised it appears we have incorrectly referenced it in previous correspondence with you as Matter 54, but fortunately GLA have published the response under the correct Matter (55) online.

In any case, I've attached for your reference a copy of the final response we submitted (through MHCLG). This refers to some revised wording we anticipated GLA would make, which they have now done, so I will provide an update to our statement to the Inspector before the hearing date. I've seen you have made reference to the same GLA revisions in your statement on Matter 55.

Whilst I will definitely be attending, it's yet TBC if I/DfE will speak at the hearing session on 3rd May – I will let you know asap. Are you or anyone from SE planning to attend/speak? If so, it would be useful to catch up prior to the session so we are consistent in our approach and response to any questions. A phone call may be all we need, but if you would like to meet, I am happy to host at DfE or come to you.

I look forward to hearing from you.

Best wishes,

[REDACTED]
