Thanks for this [REDACTED],

Sounds like the 31st would be a good date.

We can speak more about this when we meet tomorrow. But essentially we made a number of comments on the Plan and had 2 meetings with the GLA but they have only made a couple of minor amendments.

I think it's fair to say that [REDACTED] and I have a good deal of debate on how best to progress this with the GLA and the Planning Inspectorate, so we could really do with some extra support from you to take this on to the next stage in a way in which we can get a better deal for sport from the plan without jeopardising our developing relationship we have with the GLA,

Look forward to catching up tomorrow,

Hi [REDACTED],

Yes, I'd struggle to give it sufficient time next week then I'm on leave for a few days from the 19th (back 25th).

I'll put it in the diary to look through on the 26th ready to discuss anytime w/c 29th. Weds 31st AM is good for me.

Subject: London Plan

Hi [REDACTED]

Following on from our discussion earlier, I tried to attach our original comments to the London Plan (submitted pre-recent modifications to the Plan) but my computer had other ideas. It is, however, on sharepoint in the south hub section (under Local Plans and then the London Plan). The inspectors question is also there. The plan is at <https://www.london.gov.uk/what-we-do/planning/london-plan/new-london-plan/download-draft-london-plan-0>

As discussed we would appreciate if you could have a look to see what your view is about it being sound/unsound and then we can all discuss an agreed (hopefully) position going forward.

Looking at dates to come together, this is a little difficult as [REDACTED] is on leave on the 25th/26th Oct and I'd imagine next week would be too soon given workloads etc. so I think a discussion w/c 29th Oct is the most likely. Everyone is currently free on Wed 31st Morning. Will that work.

[REDACTED] anything you would like to add?

See you tomorrow

Regards
