**Full request:**

Please can you send me the minutes from and any documents relating to all discussions between the Department of Transport and US authorities relating to the possible introduction of US immigration pre-clearance facilities at airports in the UK between January 1, 2012 and July 10, 2012

During the time period covered by your request the Department for Transport discussed this matter with representatives from the US Embassy in London, UK airline representatives and others at a meeting of the Facilitation Stakeholders Forum on 6 March 2012.

Please see Annex A 2 for the information that was released

An official from the Department of Transport also discussed pre-clearance facilities in the context of a study visit to Dublin Airport on 3 April 2012 to see the US pre-clearance facilities there. The DfT official met with others from the US Department for Homeland Security, the British Embassy in Dublin and officials from Dublin Airport. No written record was made of that meeting and information held on it between the Department and US authorities only concerns the logistics of the visit.
