**Subject:** Proposed Crossrail (Kensall Green) Inquiry

xxxx

We spoke yesterday regarding the above proposed inquiry. Please find attached a copy of the letter I sent to Graham Budd on 10 May alerting him to the fact that an inquiry would be needed and giving some background to the case. I am also attaching for information a copy of the letter we issued on 15 May to the applicants announcing the Secretary of State's intention to hold an inquiry.

As I mentioned yesterday we are not in a position to formally request the appointment of an inquiry Inspector until we know what dates are proposed for the inquiry and whether the Inspectorate can identify an Inspector who would be available on the dates suggested.
