Dear Mr Balakumaran,

Internal Review of the Freedom of Information Act request reference: LBH/7394918

Thank you for giving us an opportunity to review the response we have sent to your Freedom of Information request.

You asked: *"For the period 2015-2017 inclusive, please provide the number of coroner's inquests where Homes for Haringey was an interested party/interested person".*

Homes for Haringey provided the initial response to you that:
For the period 2015-2017 inclusive, Homes for Haringey has been an interested party/person in one Coroner's Inquest.

You asked for an Internal Review as you stated:
"The information you have provided is incorrect. There have been at least two inquest attendances during that period. Please could you carry out a proper search and provide a new response with accurate information."

I have reviewed this case and sought clarification from the relevant teams who may have been involved with a Coroner's Inquest for Homes for Haringey (HfH).

I can advise that there have been two cases where HFH were an interested party at a Coroner's Inquest within the time you are enquiring about. One in March 2017 and one in April 2015.

I hope that you are satisfied with my response to your complaint. If you are dissatisfied, you may complain to the Information Commissioner, who may be able to help you. Please note that if you wish to refer this case to the Information Commissioner, they normally ask that you do so within two months of our response to you.
