Veronica - Please see FOI request below highlighted in yellow

We have gone round the houses on this one, but Martin Hayes and Linda McIlroy feel that this is a Commissioning related query given the link provided by the applicant

Could you or one of you officers provide details in respect of points 1 and 2, below. In addition if you feel it would be beneficial and add to the applicants understanding in this matter, please feel free to include any additional details which describe the roles of the Teams captured by the request

Happy to discuss

Peter

Jean

I've shared the FOI request with Integrated Care and Martin Hayes and Linda are of the view that this is a matter for Commissioning as they feel this is to do with the Networks which is referred to at the link Jimmy provided.

Is this therefore something you can assist with or should it go to Miriam for consideration

Peter

No Peter not me. This would be for the Integrated Care Directorate who operate the ICPs.

Subject: Freedom of Information request - Integrated Service Teams in HSCB

Dear Health and Social Care Board for Northern Ireland,

This request relates to the services commissioned within Northern Ireland by HSCB.

Extract below is from HSCB website:

<http://www.hscboard.hscni.net/our-work/commissioning/>

"The HSCB and PHA take forward the regional commissioning agenda through a series of integrated service teams. All of the service teams responsible for commissioning services are comprised of HSCB and PHA staff, demonstrating the common agenda shared by both organisations and the close working relationship with one another."

[1] Can you provide listing of and membership of the integrated service teams in place at present?
This should include the numbers of service users & carers that form part of these teams.

[2] Can you also indicate where each of these teams fit into the HSCB Organisational setup?
This should show the HSCB structure up to and including Director level.

Yours faithfully,

Jimmy Hamill
