Our Ref 15802  
Your Ref  
Date 23 August 2010

Dear Mr Elibank

Thank you for your e-mail of 12 August 2010, in which you appear to be asking for information concerning the logos of MI5, MI6 and JTAC that appear on links you have provided to the Cabinet Office website. Your request is being handled as a request for information under the Freedom of Information Act 2000.

It is not clear, from your e-mail, exactly what information you require from the Home Office. The reason for this is that the links you have provided fail to open and accordingly we are unable to see the examples you have given in your request.

Furthermore you refer to these logos as being on our website; however the links you provided indicate that you are referencing the Cabinet Office website. The Cabinet Office is a separate Government department for which the Home Office has no control or input into its website.

To help us to deal with your request properly, I would be grateful if you could clarify it in light of my questions above.

Once you provide this information, we will aim to send you a full response to your request within twenty working days. If we do not receive clarification of your request within three months from the date of this letter, we will consider this request to be closed.

Yours sincerely
