FOI Reference: FOI325483
Date: 19/12/2017

Dear Edwin Morris

I refer to your request where you asked:

*"Law and order has broken down in most British Cities and the crime rate is rocketing up.
When do you intend to impose martial law ?
and are their sufficient troops to undertake this task ?"*

And

"Please list all agencies used to spread Government Propaganda Information and what is the theme of such information ? ie I believe that the PM is running an EU remain campaign in order that she can fail gracefully and stay in the EU. If you think I am implying that the PM is duplicitous I believe that to be her trademark."

I must inform you that, by virtue of section 14 of the Freedom of Information Act, a public authority is not obliged to comply with a request for information if the request is vexatious. The Information commissioner has stated that a request may be vexatious if it clearly lacks a serious purpose or value. I attach a copy of the Commissioner's guidance on this issue for your information. I consider your request satisfies the Commissioner's condition but I am willing to help you to frame a valid request, if you wish to do so. In the meantime, I shall take no further action on this request.

If you have any queries about this letter, please contact the FOI team. Please remember to quote the reference number above in any future communications.

If you are unhappy with the service you have received in relation to your request or wish to request an internal review, you should write to:
