Hello [REDACTED]

He has asked for a review for F-2785 (Please see attached) and I am about to get the zip file ready and sent to legal.

F-2927 is a new request question but both could be treated as reviews?

Regards

Subject: Freedom of Information request - Internal correspondence regarding FoI request of July 6

Dear Croydon Borough Council,

Last month, on July 6, I filed an information request regarding the conduct of the council's appointments committee on July 1.

Despite the requirements of the law, as of today, I have received no response from the council to this enquiry. I have therefore lodged a formal complaint and requested an internal review.

Further and separately to this, I would like sight of ALL internal correspondence at Croydon Council arising from my FoI request of July 6.

The text of the July 6 request is as follows:

Dear Croydon Borough Council,

Can you please advise on which date, and how, notice was given of the appointments committee which met on Tuesday, July 1, 2014?

Can you produce a copy of the published agenda which shows that the appointment of Nathan Elvery as chief executive officer was included as an item on that meeting's agenda?

The council website's notice of this meeting includes no reference to the Elvery appointment. Please explain why this was omitted.

Can you tell me which councillors attended the appointments sub-committee on July 1?

I look forward to a prompt response within the requirements of the law,

Yours faithfully,

S Downes
