Dear JJ Evans

Re: Information request

Thank you for your request dated 04 April 2019 for information from NHS Blood and Transplant (NHSBT) regarding the Infected Blood Inquiry.

I am writing to advise you that we can provide you with the following information in relation to your request.

Under FOI I am requesting the following information:

Copies of all correspondence between NHSBT staff relating to the formulation and distribution of a notice concerning the Infected Blood Inquiry that was circulated by NHSBT on week commencing 24th September 2018 to a variety of NHS Trusts.

The e-mail subject contained in it "NHSBT Infected Blood Inquiry - for information".

Please note that I am not asking for correspondence to or from IBI but that within NHSBT.

NHSBT ran a search using the parameters you have specified, and we have found a number of e-mails which meet the scope of your enquiry.

Due to the large number we are not able to send them to you as a single attachment, in addition to this response you will receive a number of e-mails with the e-mails attached.

I hope this is helpful in addressing your questions. Please quote the reference number above in any future communications.

Yours sincerely

Wayne Lawley
