12 May 2020

Reply to request for information under the Freedom of Information Act	
Your ref	Email of 10 April 2020
Request	<p>I would like to request the interview scores of all applicants who were interviewed at Merton College for Economics & Management (2020 entry). This should also include the scores of those applicants who had second round interviews at other colleges. Please then include next to the two columns a Y or N for whether that applicant was then given an offer or not. I would like it to be formatted like the revised spreadsheet posted here: https://www.whatdotheyknow.com/request/interview_score_statistics_of_ne#incoming-1441923</p> <p>Additionally, I would like to know how many international, UK, and EU students were given an offer this admissions cycle.</p>

Dear Thomas Wong,

I write in reply to your email of Sunday 12 April, requesting the above information.

Please find the requested information in the attached workbook. Please note, where candidates were interviewed by one college only the cell for 'Interview Score 2' has been left blank.

Notes about the data:

- Applicants may change course during the application process. The course here reflects the most recent course on record.
- Applicants may be interviewed at multiple colleges. These interview scores are shown separately.
- The worksheet titled 'Interview' contains data for Interview Scores for applicants who had one of their interviews at Merton College only.
- Worksheet 'Domicile' contains data for all Colleges.

Yours sincerely

Information Compliance Team
