Dear Mr Lawrie

### Information Request – Investigation into Viewing of Pornography at NESBReC

Thank you for your information request which we received on 13 April. We have considered your request under the Freedom of Information (Scotland) Act 2002 ('FOISA').

You asked that, following on from your previous request from December 2014, you would like any further information we have relating to the viewing of pornography at the Biological Record Centre for NE Scotland.

We have carried out a detailed search of the information we hold and we have no information that meets the terms of your request. In accordance with FOISA Section 17, this letter is notification that we do not hold the information you have requested on this occasion.

We would like to note that in any kind of partnership working, such as grant funding to an organisation, SNH take the view that anything to do with alleged misconduct at work would be a personnel matter exclusively for the employing organisation.

### Review and Appeal

I hope this information meets your requirements but if you are dissatisfied with how we have responded to your information request, please write to us within 40 working days at Battleby, Redgorton, Perth, PH1 3EW or email us at [foi@snh.gov.uk](mailto:foi@snh.gov.uk), explaining your concerns. Our Director of Policy and Advice, Andrew Bachell or his nominated delegate will carry out a review of our response and provide an outcome within 20 working days.
