Our ref: FOI 2019/03067

Your ref:

Date: 5 April 2019

Dear Ms Gomez,

Thank you for your email of date 8 March 2019 requesting the following information:

***“As regards EMF radiation what is the safe level of constant exposure to the human fetus?***

***As regards EMF mm wave frequency what is the safe level for constant exposure prior to there being any damage to the biology of a cell?***

***Is mm wave EMF used as a weapon ?***

***Is mm wave EMF used for crowd control?***

***Do 5G frequencies cause any damage to the human being? to any life form?***

***Has EMF ever been used by the ministry of Defence for any purpose to cause harm or to spy?***

***Will 5g infrastructure have the capability to spy on the UK population?***

***Is there any risk to the human UK population from 5g EMF for our privacy our health at constant exposure.***

***What is the maximum time you would use mm wave technology on a human being and what are the effects and the frequencies used? What happens at this level of time and if it were for longer than this time what would happen?***

***Do you consider 5g to be a risk to the UK population now or in the future once it is rolled out?”***

We are treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD), and we can confirm that no information in scope of your request is held.

Under Section 16 of the FOIA (Advice and Assistance), you may find it helpful to contact Public Health England at the Department of Health, at:

Public Information Access Office  
Wellington House  
133-155 Waterloo Road  
London

SE1 8UG  
United Kingdom

Dstl (the Defence Science and Technology Laboratory) is an Executive Agency of the UK MOD. We work to deliver cutting-edge science and technology for the benefit of national defence, security and prosperity. Specifically, we:

- deliver specialist S&T support to military operations
- provide specialist technical advice to support counter-terrorism
- offer impartial advice, analysis and assurance
- advise MOD on the development of defence policy and on improving the effectiveness and efficiency of MOD's business
- steward and maintain the critical capabilities (people and facilities) deemed necessary for future defence and security
- exploit intellectual property to drive prosperity
- act as a trusted interface and integrator of solutions for government.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.gov.uk](mailto:CIO-FOI-IR@mod.gov.uk)). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

Dstl Secretariat
