

East Lothian Council

FOI Ref: 2016/238(9493)

Under the Freedom of Information, I am requesting an opportunity to get information for the questions as follows:

1. Do you have any software license contract renewal this year? If so, please provide details of vendor, title, renewal date, contract value and type of license eg concurrent or subscription to top 20 biggest software contracts.

East Lothian Council (ELC) currently intends to replace the systems listed below this year:

Vendor	Title	Contract start	Renewal Date	Contract Value	Type of License
Ping/Verint	Reseller Ping NS, Verint product	*2008	System being replaced 2016	£39,233**	56 Full time recording channels
Tunstall	Telecare system	^2012	System being replaced 2016	£137,000^^	Per device (virtual & fat client licences)
Capita	Library Management System	13/5/2013	2016 – date subject to ongoing tender process	£122,769	Site License/ subscription service charge

*Date of last major upgrade

** From date of last major upgrade

^ Date of last major upgrade

^^ From date of last major upgrade

2. Does your organization use any IDOX software?

Yes

3. How much was spent on last Idox software license contract? Can you break the value of the Idox contract for your each financial year individually?

2016/17 £59,479.50

This includes connectors and a performance management system called Enterprise.

East Lothian Council

FOI Ref: 2016/238(9493)

4. What type of Idox license do you have? eg concurrent or subscription

Concurrent 50 user licence for IDOX Uniform, IDOX EDRMS 38 concurrent browse licences, 10 concurrent index licences.

5. Please provide details of person(s) involved in IT Software Budgeting.

Each application software system has a business owner. It is normally the business owner who holds the budget for software purchase and support. ELC has many 'business owners'.
