Dear Mr Sarney

FREEDOM OF INFORMATION ACT 2000

We have received your request for information as detailed below:

I would like to request a list of the IT systems that you currently have in use at your trust (e.g. patient administration systems, Integration software, Document management software etc.). Please provide the name of the software and the provider (e.g. Lorenzo is provided by CSC).

If it will fall within the 18 hour time period please could you also provide the cost of each system at the time of purchase, the annual support and maintenance costs for each system and the remaining length of time on each contract.

Your request was received on Monday, 15 February 2016 and the Trust is managing it under the requirements of the Freedom of Information Act 2000. I am in the process of collating this information and hope to be in a position to respond to you shortly.

In some circumstances a fee may be payable and if that is the case you will be advised and a fees notice issued. You will be required to submit your remittance before the Trust is able to proceed with your request.

If you have any queries about this request, please do not hesitate to contact us.

Yours sincerely

Freedom of Information Act Officer
