Dear Mr Sarney

FREEDOM OF INFORMATION ACT 2000

We have received your request for information as detailed below:

Thank you for your response. As a full list of systems is deemed commercially sensitive, would it be possible to provide a list of systems that you use for Business intelligence purposes? (e.g. Qlikview, SAP Business objects etc.)

Your request was received on Tuesday, 15 March 2016 and the Trust is managing it under the requirements of the Freedom of Information Act 2000. I am in the process of collating this information and hope to be in a position to respond to you shortly.

In some circumstances a fee may be payable and if that is the case you will be advised and a fees notice issued. You will be required to submit your remittance before the Trust is able to proceed with your request.

If you have any queries about this request, please do not hesitate to contact us.

Yours sincerely

Freedom of Information Act Officer
